

RALPHIE MAY: TOO BIG TO IGNORE

2012 NORTH AMERICAN TOUR

As lovable as he is outrageous, Ralphie May is one of the most popular comedians in the country. Since his debut on season one of "Last Comic Standing," audiences can't get enough of the larger than life comedian. Now, Ralphie proves he's TOO BIG TO IGNORE with his record breaking 4th Comedy Central Special and North American tour. Voted one of Variety's 10 Comics to Watch, Ralphie spreads his comedic wealth further than ever by tackling topics that will make you think and occasionally squirm. With no subject off limits, Ralphie dives in and reveals the hilarious quirks that infiltrate politics, race and even his family. Lovable enough to get away with anything, Ralphie continues to capture the hearts of thousands on his sold out tours and promises to make you gleefully uncomfortable.
