

## Statement on Coronavirus-Related Restrictions

March 16, 2020 - In response to the increasing concerns of COVID-19 across the nation, the State of Indiana, Vanderburgh County and the City of Evansville announced several precautionary steps to reduce the spread of COVID-19 in our region. Among the actions immediately initiated is a plan to mitigate exposure at large events:

- The City of Evansville and Vanderburgh County issued a State of Emergency beginning Friday, March 16, 2020 at 5 PM and expiring Monday, March 23, 2020 at midnight. Under that mandate, the Old National Events Plaza will be closed to the public. During that time, the venue will be unable to receive customers at our box office. Patrons looking to purchase tickets to a future event, or those seeking a refund to a cancelled event, are asked to call 812-437-8300. The venue will also be unavailable during this time to vendor and client meetings and tours. We will be accepting business deliveries.
- Per the recommendations of the CDC and Governor of the State of Indiana, non-essential gatherings will be limited to no more than 50 people over the next eight weeks. This includes conferences, festivals, parades, concerts, sporting events, weddings and other types of assemblies.

With all our scheduled events, the Old National Events Plaza is following the guidelines of local and state governments. We are reaching out first to our clients with events booked over the next eight weeks, listening to their comments and working with them on possible options. Events scheduled past May 8, 2020, will be evaluated on a case by case basis with the event organizers. We will be monitoring this rapidly developing situation and will advise with more detailed event information as it becomes available.

The health and safety of our guests and employees is Old National Events Plaza's top priority. We will continue to be guided by the prevention and best practices recommendations of the Centers for Disease Control (CDC) and the World Health Organization (WHO), in conjunction with our local public health officials.

Furthermore, Old National Events Plaza will continue to follow the general cleaning and precautionary guidelines of the CDC and other public health organizations. Our local staff is being supported by ASM Global corporate resources to ensure that we implement operational best practices throughout our network of facilities.

For more information, please contact the Old National Events Plaza at 812-435-5770 or [info@oldnationaleventsplaza.com](mailto:info@oldnationaleventsplaza.com).
